

Parents/Fans/Players,

What a different CAL tournament this will be! Let's hope we can return to the normal CAL next year! I wanted to let you know that two of us will still be taking photos of all the teams throughout the tournament again this year. Throughout the course of the 3-day tournament we will take approximately 5000-8000 photos.

Again, we will be offering access to the photos via two methods. The traditional CD that gets mailed out and also on the website Shutterfly. Please note that there are two different order forms. If you'd like the photos mailed out to you on a CD please take the "CD" order form. If you'd like to access the website and download the photos, take a "Website" order form. The photos on the CD and the website will be of the same size and quality. Videos will not be available this year as all games will be live streamed and uploaded to YouTube.

Since there will not be as many fans/family allowed to be present during the tournament this year the forms will be available via the website. You can also email me at anthony.j.harris.222@gmail.com and I will send you an order form.

If you are interested in obtaining photos, we're asking \$10 per team. For example, if you wanted a copy of both your boy's and girl's teams, it would be \$20. This includes all of the photos, of your team, throughout the tournament.

Ordering will be entirely on line this year. Please download the form and complete electronically. You can pay via PayPal or Venmo or mail me a check. Email the order form to me at anthony.j.harris.222@gmail.com and let me know how you wish to pay. I'll provide you with my PayPal or Venmo username or my address where you can mail the check.

If you have any questions, please find Julie Busch or one of us (we will be sitting at either end of the gym). *Please don't interrupt us during the course of the game.*

Lastly, please be patient. It may take a while before we get them uploaded to the website or shipped to you. It is an enormous amount of post processing work.

If you have any questions regarding the order forms, or anything else related to the photos, please contact Julie Busch or one of us.

Thank-you!

Tony Harris & Rick Pepper

CAL 2021 WEBSITE PHOTO ORDER FORM

March 4-6, 2021

Parents,

We are offering the choice of either a digital download of team photos, or a CD as in past years.

We are using Shutterfly to host these photo albums. Shutterfly provides key elements for this service: privacy & security - the photos are only accessible to a site member; a member is created only by an invitation email sent by us to specific buyers of the digital download option. Shutterfly does not make these photos available to anyone who is not a member of a given site (each team will have its own site - same as a CD). The photo files are the same size and quality as the CD, and will be available through June 1, 2021 for download.

As with other subscriptions, you may need to monitor your spam filter for emails from Shutterfly so you don't miss the invitation email from us. This is the only way for us to make you a member of the website.

If you prefer receiving a CD/DVD of the photos and/or the games, please use the "CD" order form.
